A Celebration of Southeast Grand Rapids Then and Now

Receive your FREE copy of *Family Voices* legacy book

The GRSEPN Family Voices initiative is a community-led project that honors and celebrates the unique assets and strengths of those who live, work, and gather in Southeast Grand Rapids.

Each contribution shares the authentic stories, traditions, and talents that have built, fortified, and sustained our community.

Our collective story will live on in a beautifully designed book available in both physical and digital formats for easy access for friends and neighbors.

RSVP BY MONDAY, DECEMBER 7
to reserve your spot and copy of the *Family Voices* book!
